

# Skydive Sponsorship Form

Name of jumper .....

Address .....

Name of charity .....

The person named above is making a parachute jump with North London Skydiving Centre Ltd and is using the event to help raise funds for their favourite charity as indicated above. Your support would be very much appreciated. Please be aware however that the participant may wish to use up to half the money raised to help cover the cost of their training course and jump (i.e. if they raise double the amount the full course fee may be taken from the proceeds, or if they raise £100, £50 may go towards their costs and £50 to the charity, and so on). Alternatively they may wish to pass on everything they raise to the charity and pay for the jump themselves. If you ask then they'll be more than happy to explain their intentions. A certificate as proof of their jump will also be provided once it has been completed.
